

## ABOUT NSWAI

Since 1996, National Solid Waste Association of India (NSWAI) is India's largest organisation specialising in the waste management sector.

NSWAI is focused on creating inclusive ecosystem for the waste management sector comprising of entrepreneurs, start-ups, MSME, corporates, machinery & technology providers, individuals, government bodies, non-governmental organizations, educational institutes, academicians, students, independent experts, national & international associations, investors and venture capitalists to achieve a common objective of effective waste and resource management.

NSWAI's purpose is to create collaborative partnerships and support ecosystem for areas in:

- a) Municipal Solid Waste (Organic & Dry\*)
- b) Plastic Waste
- c) Construction & Demolition Waste
- d) E-Waste
- e) Bio-Medical Waste
- f) Batteries Waste and
- g) Toxic & Hazardous Liquid and Solid Waste

\*Dry includes Paper, Textile, Rubber, Glass & Metal
