Styrofoam Ban, in its 1st Month of Enforcement, Sees 57 Violations in New York City

In its first month of enforcing the city's ban on single-use foam plates, cups and other containers, the Department of Sanitation issued a total of 57 violations across the five boroughs, a spokeswoman said Wednesday. [Learn More>](#)

Container Recycling Institute Responds to Closure of Nearly 300 Bottle Redemption Centers in CA

This week's closure of 284 recycling redemption centers (RCs) by rePlanet, the largest operator of such centers in California, marks the latest and most significant setback to the state's container deposit system (referred to as a bottle bill). Now is the time for Gov. Gavin Newsom to work with the state legislature ... [Learn More>](#)

China's Waste Ban Creates Growth Opportunities for the Circular Economy in Developed Countries

Following China's ban on solid waste, including plastic, hardware, ships, scraps of stainless steel, titanium and wood, countries are considering localised circular economy for domestic waste recycling needs. The plastic recycling market is especially likely to experience high growth due to ... [Learn More>](#)

Google Pledges to Include Recycled Materials in All of Its Consumer Devices by 2022

Google has said that all its devices will include recycled materials by 2022. The company said it already uses post-consumer recycled plastic in some of its Nest products, but it will commit to using more types of materials ... [Learn More>](#)
