## How to Benefit from Multichannel World for Your Recycling Business

You may think that promoting your recycling business through one channel (a website, for instance) is enough. But you couldn't be more wrong. With so many marketing channels to promote your recycling business, it's a crime if you don't take advantage of at least two or three of them. [Learn More>](#)

### **New York's Otsego County Starts Foam Polystyrene Recycling Program**

Residents in Otsego County, New York will now have the opportunity to recycle foam polystyrene through a county program, thanks to a \$50,000 grant from the Foam Recycling Coalition. [Learn More>](#)

### **The New National Garbage Man Day is Coming**

Many of you have said you wanted a new name, one that was more inclusive of all the men and women in the waste and recycling industry. Well, we heard you. [Learn More>](#)

### **NWRA Commends Senate Environment and Public Works Leadership for Introduction of Transportation Infrastructure Legislation**

The National Waste & Recycling Association (NWRA) applauds Senate Environment & Public Works (EPW) Committee Chairman John Barrasso (R-Wyo.), Ranking Member Tom Carper (D-Del.), Transportation and Infrastructure Subcommittee Chairman Shelley Moore-Capito (R-W.Va.) and Subcommittee Ranking Member Ben Cardin (D-Md.) for their introduction of "America's Transportation Infrastructure Act" (ATIA) ... ### **Renewable Natural Gas Market Surpasses 100-Project Pinnacle in North America**

The Coalition for Renewable Natural Gas (RNG Coalition) announces that the North American renewable natural gas (RNG) industry has reached the 100 facility benchmark this

summer. With the addition of three recent operational facilities, the 101 RNG production sites across the continent equate to nearly 150% growth over the past five years ... [Learn More>](#)

The advertisement banner for Leadpoint features the company logo on the left, which consists of a red circle with three vertical bars of varying heights, followed by the text 'LEADPOINT High Performance Work Teams.' The main text on the right is white on a red background, stating 'Leadpoint: We take the chaos out of MRF operations' and 'High-Performance Work Teams + Operations Support as a Service'. It also includes the website 'leadpointusa.com/wasteadvantage', the phone number '888-205-1511', and a 'Learn More' link with a right-pointing arrow. On the far right, there is a small photograph of two workers in yellow safety vests and hard hats working at a facility.

### **Innovative Trend: Smart Waste Management Systems**

The past few years have been marked by tremendous technological trends such as electric vehicles, virtual reality, Internet of things (IoT), artificial intelligence, etc. These technologies have been applied to various industries ... [Learn More>](#)

### **Bangor, ME Will Close Local Recycling Station as Part of City's Switch to New Waste Plant**

Bangor residents will no longer be able leave their recycling at the city's public works garage starting Sept. 2. The city has kept that station open seven days a week. A variety of residents use it, including some who live in apartment complexes that do not have curbside waste collection ... [Learn More>](#)

### **Arkansas-Based WeCare Denali, LLC Acquires the Assets of Harvest New England LLC and Harvest Mid-Atlantic LLC**

Andy McNeill, President and CEO of Denali Water Solutions, announces the acquisition of certain assets of Harvest New England LLC and Harvest Mid-Atlantic LLC compost, mulch, and soil operations in Connecticut and Maryland, through its wholly-owned subsidiary, WeCare Denali, LLC. [Learn More>](#)

### How to Cultivate Ecological Consciousness in Schools

Living in harmony with the rest of the world is fast becoming a necessity. That's why ecological consciousness is gaining popularity in almost every facet of human life. Whether it's in our careers or in school, we are constantly reminded that we need to respect the natural world. [Learn More>](#)
