WestRock to Reconfigure North Charleston, SC, Paper Mill

WestRock Company announces that it is reconfiguring its North Charleston, SC, paper mill to improve the mill's operating efficiency and long-term competitiveness. As part of the

reconfiguration, WestRock will permanently shut down one of the mill's three paper machines and related physical infrastructure, eliminating approximately 288,000 tons of linerboard capacity. [Learn More>](#)

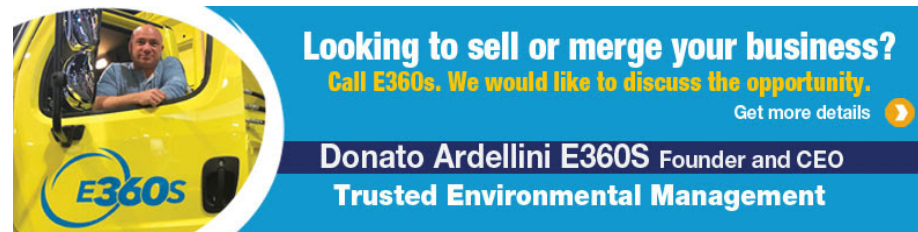

Glasgow County, KY Council Passes Trash Ordinance

In a new Glasgow City Council ordinance, a few rules were outlined such as when citizens can set their carts out and when they need to collect them. According to Section No. 2, part B of the ordinance, carts must be at the curbside no later than 7 a.m. the day of collection and no earlier than the day before. [Learn More>](#)

Portland, OR's Artsy Garbage Cans

Portland is replacing its downtown garbage cans with new versions that feature unique artwork. Visitors flock to Portland for its many attractions and while garbage cans aren't usually among them, they are now. [Learn More>](#)

ecomaine Announces Deadline for \$25,000 in Grants to Promote Recycling, Compost

Ecomaine announced its call for proposals for the organization's 2019-2020 round of School Recycling Grants, which are designed to raise recycling awareness in schools and communities, and to help schools implement more efficient recycling programs or add composting to their waste collection.
