BROUGHT TO YOU BY — CP Group

Split and Sort.

CP Group's design philosophy is defining the future of the MRF. Get high throughput, proven recovery, and lowest cost per ton. **See our equipment in action.**

The Recycling Partnership calls for \$500M circular economy investment by 2025

Describing the current U.S. recycling system as "insufficient," the national nonprofit has debuted an ambitious new roadmap to improve packaging design,

material supply and long-term systems funding.

Tampa to end Wheelabrator operating contract 12 years early

The city plans to take over daily operations of its McKay Bay incinerator in eight months to reduce costs, following the recent model of another city in Washington. Wheelabrator has expressed support for the decision.

Virginia DEQ revokes Meridian landfill permit following repeated violations, escalating conflict

In an unusual move, state regulators have revoked a permit from Meridian subsidiary CFS after multiple complaints about the company's Tri-City landfill. An appeal is expected.
