**A Camera in Every Container?**Streamline daily operations through remote fullness monitoring, content and contamination ID, GPS tracking and service verification. **[Watch the demo.](#)**

### Waste Connections Q3: Acquisition offers worth \$600M on the table

Recent M&amp;A activity was quieter, but the company did close on a greenfield landfill project. Overall financial performance was strong, despite nagging

headwinds from recycling and RIN credits.

### **New York City Council advances commercial zone bill, opponents make final push**

The successful vote came after 13 council members endorsed a letter requesting more time to consider a proposal that will dramatically reshape the city's open market system. A final vote is scheduled for Oct. 30.

### **Federal government and food industry take aim at organic waste with formal commitment**

A senior EPA official told Supply Chain Dive the effort is intended to change industry "attitudes and apathy" around the issue of food waste and relieve some confusion around food recovery and donation liability.
