ANNOUNCEMENT

After seven years of bootstrapping Industry Dive, we're excited to announce a partnership with Falfurrias Capital Partners, a private equity firm based in Charlotte, North Carolina. Their support will allow us to expand our B2B news and analysis into new industries and to experiment with new ways to produce content and engage with readers.

We launched Industry Dive in 2012 with an audacious goal: to become the business world's most respected source of journalism. Today we have 75 full-time journalists reporting the news for 7 million executives across our portfolio of publications. In Falfurrias, we found a partner who shares our vision and can help continue our growth. The leadership and editorial teams you know will stay

in place, as will our commitment to independent and unbiased coverage.

Thanks for reading – we couldn't have done it without you.

Sincerely,

Eli Dickinson, Sean Griffey, Ryan Willumson
