BROUGHT TO YOU BY — CP Group

Split and Sort.

CP Group's design philosophy is defining the future of the MRF. Get high throughput, proven recovery, and lowest cost per ton. **See our equipment in action.**

What will it take to use more recycled content in plastic recycling carts?

The increasingly ubiquitous products still contain lots of virgin plastic. While one new company is advancing a bio-based replacement, others say their

models can only handle so much recycled resin.

Waste Management Q3: Consumers driving landfill volumes, industrial activity less certain

The industry giant reported yet another profitable quarter for collection and disposal, warding off ongoing recession concerns and compensating for a bad stretch of recycling commodity prices.

The Recycling Partnership calls for \$500M circular economy investment by 2025

Describing the current U.S. recycling system as "insufficient," the national nonprofit has debuted an ambitious new roadmap to improve packaging design, material supply and long-term systems funding.

RTS acquires Recyclebank, plans to 'reinvigorate' rewards concept

Once a favorite of service providers and venture capital investors alike, the company has lost ground in recent years. Recycle Track Systems sees new potential for both commercial and municipal expansion.

GFL Environmental IPO aims to raise up to \$2.4B

The Canadian company touts itself as the fourth-largest industry service provider in North America, with ambitions for significant further growth. First, it needs to pay down mounting debt.

Virginia DEQ revokes Meridian landfill permit following repeated violations, escalating conflict

In an unusual move, state regulators have revoked a permit from Meridian subsidiary CFS after multiple complaints about the company's Tri-City landfill. An appeal is expected.

Tampa to end Wheelabrator operating contract 12 years early

The city plans to take over daily operations of its McKay Bay incinerator in eight months to reduce costs, following a similar move by another city in Washington. Wheelabrator has expressed support for the decision.
